Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Song: Threefifteen

Genre: Melodic Hardcore, Metalcore

I had my by-annual dream of my ex-love(r). I've been sat with a bunch of sadness, nostalgia and yearning in my heart. </3

What is there left to smile about?
When everything falls apart around me
When love, turns to hate
And this is tearing me apart

You have these funny ways of, making me want more

Woke up with a hole in my heart today
It wasn't a dream
There is something missing from my life
It wasn't a dream
There is something missing

If I was granted just one wish
Anything I wanted, it would be to have you by my side, by my side
But there is no time
I would have waited forever
Our time is up
There is no time
I would have waited forever
Our time is up
