Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Highland Glory - From the Cradle to the Brave

*It is the hero in his heart that will lead us the way
His land he will defend, from eternity 'til end
With his sword in hand, he'll ride across the land
As he rise from the cradle to the brave*
