Monkey 773 discovered that some large cats respond to Aloe Vera shampoo like catnip.

And that said large cats are the kind that enjoy catnip by chewing on it.

Godulan Puppet #2, RPing as technologically advanced tribal society founded by mongols and vikings (and later with multiple other Asian and Native American cultures) motivated by an intrinsic devotion to the spirit of competition. They'll walk softly, talk softly, and make soothing noises as they stab you in the back and take your stuff... unless you're another Caleshan, whereupon they'll only stab you in the back *figuratively*!

Used NS stats: Population. That's it. Anything else not stated in the factbooks is not used.

Monkey 783 accidentally got smacked really hard by monkey 942s arm when he fell down into an endless hole, causing monkey 783 to go into a coma for 4 years. Eventually monkey 783 was able to survive his coma and woke up in the same place, unfortunately monkey 784's arm accidentally smacked him even harder then monkey 942's arm when he fell into a really REALLY deep hole, causing his skull to be broken and his brain smacked out of his head, making monkey 783 die.

I do not exist, stop pretending I'm real. Accept that I am a mere illusion created by some random internet loser trying to trick you.
