Okinawa. You should come here, we have great beaches.
We are a FT nation. But not too FT, only with 2040-2080 era tech.

As I'm going through songs I've never listened to, I post them on here, for no real reason other than that this is the "What are you listening to right now?" thread. I don't do it so much with stuff I've heard before. And Mogwai has a freaking ton of songs, so this thread is getting a lot of spam from me right now about Mogwai. I'm almost done with them, and then it will probably be some Grails spam, then massive Hammock spam.
