### The Immortal Pristine Revolutionary State of Ukraine

**SUMMARY:** An autocratic technocratic "utopia" with the best architecture and environment in the world, paid by the freedom of citizens.

**What do we have to offer?** A magnificent timeless architecture, weather-altering BS machines, a pristine environment, a strong military, and a death toll of 10 million from our concentration camps and bloody wars.

**FOR EVERY BAD REPLY, A POLITICAL OPPONENT WILL BE SENT TO CHERNOBYL. 13 sent (don't get offended if you get chernobyl'd 'tis just a joke)**
