This sounds like some happy music that plays in an old movie at a happy broadway moment or something.

A passing thunderstorm.

Some people don't like 'em. Some people don't care about them. I think they're pretty cool !

Where do you live? I just had a passing thunderstorm, too
Wasn't very major, but still.

Also, I love thunderstorms. I don't know why but I do.

Ah, so nowhere near me. But sounds like you are where all the weird weather keeps going through, so not really a big surprise

Lo! My friend said something once that I think perfectly describes the climate where I live.
"This is Indiana. If you don't like the weather, just wait five minutes!"

We always get the weird weather, it's kind of nice actually.

Thunderstorm is fading at the moment, overtaken by my sisters watching Disney Channel, bleh!

Oh bands with strange song names, how I love you.

Kinda surf rock like in this song. Feels a little Secret Chiefs 3 like. Think they connect in some way so wouldn't be that weird.

That kind of describes our weather sometimes, too. For example it was a really nice sunny day not massively long ago. We've had days where it has been nice and sunny and then it is pouring.

I like weird weather too, actually, depending what kind of weather. I've had some pretty...interesting weather experiences. Mostly in Maine. Like our answering machine being fried by lightning, for example. I've also lived in a rather varying type of climate, from South Lake Tahoe where there's 6 feet of snow every winter, to Nevada deserts, to the weird weather of Maine (The first place we ever had a tornado watch), and now up in the rainy side of Washington.

And ew, Disney Channel

Sweet, the album that came out this year has all the cool songs from the YouTube project on it. Not only is her music interesting she has some really strange and artistic videos. This discovery a few years back is in thanks to my dad.
