The old thread is nearing 500 pages, so here's the fourth thread.

Title is self-explanatory.

I have played this game for 3 years now, but I'm not active at most times.

I use NS stats for the most part, excepting where issues and stats dont make sense with my Nation's setting.

My Nation is roughly based on my actual political beliefs; it is a form of Socialist Republic, in which citizenship is granted for government service (either military or civil, think Starship Troopers), with a very heavy environmentalist and conservative bent.
