I would like that song better if it was instrumental.

Tech levels incompatible? Then kick me out of the thread, because if you RP with me you accept my tech.

Note: Before 2480, Olwe was called Athan. If you see this word in a thread, it's because you mentioned a year incompatible with Olwe in that thread but still made it open to all techs and therefore are allowing Athan's magic.

I forgot that was an album I WASN'T going to go through right now. It isn't really bad, just weird a different. It is like this weird ambient electronic opera thing and I'm not really in the mood for opera (Or ever)

The Knife-A Tooth for an Eye

So I listen to this album again.
