Well, Europe went Communist in my alt-history, following a Soviet invasion, so mostly yes. Also indigenous white people were never really persecuted during the 1995 Cultural Revolution unless they were multinational CEOs or something.

And I mean there's no popular grudge against atheism.

TLDR; yeah.

With that flag, why wouldn't I?

An Oligarchic state where the ultra-rich govern a nation of entrepreneurs and innovators. Just as corrupt, hedonistic and materialistic as you think, despite its progressive policies and emphasis on quality of life.
