Hear me out, right? So if Jesus was born a virgin birth, he only had one set of chromosomes; the female ones. Therefore Jesus is trans.

Don't take me seriously on that. It just boggles me a bit the idea.

actually, to be fair, it would probably be the other way around, seeing as the LDP has more scattered support around the country and would have a higher chance of electing a list member, and the Surdana Party only presents lists and candidates in Surdana.
