Soft yes

In a world where the Spartacists won in 1919 and Trotsky achieved his world revolution, Russia's minority dumping ground in the Far East is undergoing an internal revolution. Led by a sly artist-premier and his technocratic posse, surrounded by a salacious secretive Civil Servants' society, factionalist scheming, and (literal) backstabbing.

Maybe, depends on whether NS stats are canon in their nation.

No, I would hate living in a meme nation

My nation - which is pretty much just a unified Korea with some extra territory - represents my real views, as does pretty much anything I say on the forums. NS stats only broadly representative. Feel free to call me Q&K, Quartia, or any other nickname.
