Like a 3/10. Nothing sinister going on, just a regular looking flag.

Looks extremely similar to the Nazi flag. 9.2/10.

1/10. Literally one of the least evil flags I've seen.

Just by the looks of it... It looks like some corporatist dystopia where human consciousness is habitually uploaded on computers and sadistically tortured in purgatorial cycles simply for the perverted amusement of blasé, power-drunk elites who, by now, only barely resemble the rest of humanity. 9.7/10

But really? I don't know... Might be a great place.
