A Nation Once Again, the Wolfe Tones.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

craide 11, by craide. which is another of my favorites.

now being followed by huizen live2, by rogue element, also pretty good, though a bit long and repetitive.
