Honestly despite the name, the lion (and to a lesser degree the coloring scheme) give an Anglo-Saxon petty kingdom vibe, though half the flag looks like the flag of the Crown of Aragon. Ether way, absolute feudal monarchy.

Unitary bilateral republic.

Note: Many factbooks are in a constant state of WIP or being considered for entire rework or deletion

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.
