Quite a relatively well-known name here and there in F7. With their decently-sized region, too! 6/10.

A newer F7 regular that you recognize fairly easy, fairly well known within the high 6 to low 7 ranges.

Doubting the idea that this is **Evil Wolf** (looking at posts and posting style, leaning more towards nah) and leaning towards someone with a similar name, I have never seen them before... And I'm a raider commander.

Unknown, I can count their forum posts with my fingers.

On the practically impossible chance (would a "saint" version of him give up NatSov principles and anti-GA stances? Food for thought.) that this is him, and he decided to posts in F7 for no reason... why? This is the forum I'd have least expected a 2005 oldhead to go through when there are many defenders to agendapost against >:0

 **Liberty, Equality, Union • Liberdade, Igualdade, União**

blub blub.

A classic F7 regular, you used to see him everywhere and was a staple of what made F7 a fun place (at least for me) pre-Buhers days and whatever kind of culture is plaguing this cursed forum now. Very much well known.
