Future – Look Ahead

Listening to one more album before bed. This is my 5th album for today, and one of them was a double album.

That's a new record for me. ☐

Geeze, dude. Did you just sit at your computer listening to music all day?

Same as what I was listening to before

Yeah. It also heavily depends on album length. If all the albums are 30 to 40 minutes, it's easier to go through a bunch than with like, a bunch of 60 to 70 minute ones.
