The word 'formally' comes up while doing homework

Spotify advertisement comes on immediately after that uses the word 'formal'

☐ It's not the right answer though (the question was pertaining to whether the word *formerly* or *formally* should be used in the given sentence). ☐

Biggest highlight about albums by these guys is that the post-rock actually feels...different, and not the same ol' same ol'. Doesn't mean it is amazing, though.
