SELSKA IS THE ROOT TRAIN, BROTHER!

When the student movement spills across the *Katastrophestaat*, one underground shelter erupts into a refugee rebellion. Co-opted by an eccentric Eco-National Bolshevik Afrocentrist and his posse, Selska is the last holdout of a people just hoping to survive - but can this revolution last a changing overground?

The Immortal Pristine Revolutionary State of Ukraine

SUMMARY: An autocratic technocratic "utopia" with the best architecture and environment in the world, paid by the freedom of citizens.

What do we have to offer? A magnificent timeless architecture, weather-altering BS machines, a pristine environment, a strong military, and a death toll of 10 million from our concentration camps and bloody wars.
