The Netherlands? I have no idea

Hating religion or religious people makes you neither progressive, nor edgy. It just makes you a jerk. Please, for the love of God, don't sell me deathsticks.

I should give a more interesting guess, but IDK about Australia. I'll say you live in a large city.

Either New Mexico or space.

Zravvisk is the name of our species, but other people commonly call us "Space Dragons".

Don't meddle in the affairs of dragons for you are crunchy and tolerable with condiments.

A day in the Armada isn't too different from a Star Trek episode if almost everyone in the Federation was a dragon and spiritual.

Trying to collect every NS pokemon card. Almost 630 collected.

Hey there, i am a factbook writer.If you love proxy wars and bloodshed and sub Saharan Africa or FC2.

Then come and read my humble history Factbook.

I do not use NS stats much, but they give a pretty OK idea of my country. But the population is obviously not true.
