Pretty Boy Swag-Soulja Boy

I thought Turn My Swag On was the worst song about "swag" ever written but Soulja Boy has truly outdone himself with this craptastical wonderland.

"This (breath) right here(breath) is my(breath) swag"

This song sucks so much and that's all there is to it. I need to go punch a kitten now.

Tis a good barn, English, but tis no pool.

Wow, that is awesome, especially for an amateur production. The people who made that have some incredible skill. *favorites video*

"Never be deceived that the rich will permit you to vote away their wealth." -
Lucy Parsons
Socialism is an economic system characterised by social ownership of the
means of production and co-operative management of the economy. "Social
ownership" may refer to cooperative enterprises, common ownership, state
ownership, citizen ownership of equity, or any combination of these. There are
many varieties of socialism and there is no single definition encapsulating all of
them. They differ in the type of social ownership they advocate, the degree to
which they rely on markets or planning, how management is to be organised
within productive institutions, and the role of the state in constructing socialism.
