Hmmm maybe.

No. Even if they're not as bad as other "communist" Sovietist governments, they are still Soviet in nature. Eventually they will see someone get into power that makes life there twenty times worse, it's inevitable.
Also I'm not a communist.

Nah. Before looking at anything else, the first thing you're greeted with is an "Imploded" economy. I've never seen that in my 3 years on NS. I don't know what you did to have an economy that bad WITH a 75% income tax and only 6,000 peso income. Hard pass

I'd recommend not using NS stats and instead going by factbooks. People put time and effort into those for a reason.
