Alright, review those facts and explain to me how you're not.

You've clearly been brainwashed by the fake liberal media if you think NIP has more followers than Gandoor. Smh my head, man, I thought you'd taken the red pill already.

Look, I get that Mr Proudfoot worked at a 'research institute' in the Middle East, but the NIP is far from 'just an MI6 psyop'. We got two more votes than the convicted sex offender at the Hartlepool by-election.

Nobody's 'pulling' any 'moves'. This is a discussion, not a game.

I dont have enough popcorn for this, I suppose thats a new cliché. Popcorn shortages.

That and Munk's game of alts since it seems apparent he has a tendency to just drop accounts for various reasons... Or have them CTE'd due to valid reasons.

Eh, in the end it doesn't matter. Life goes on.

Most of my ALTs nearly CTE'd and the only reason keeping them alive is my sheer willpower of "I don't like to see them die off".

Maintaining 100 nations can be pain, but hey, there are Autologin scripts!

I got a concept of a nation that I'm supposed to do, but the cliché of "Oh snap, I procrastinated" struck me again.

The idea is now 2 months old, and I haven't written a single thing.

Out of all the alt Germany, Japan, Russia, etc, etc, I'm surprised Italy doesn't get as much attention.

Hey hey, LP here: Too burnt out with this nation to make new lore or fix macrohistorical *longue durée* alt-his inconsistencies, too clingy to let it die.
