The sound of a barred owl outside.

Then the sound of a branch crashing because one of our trees was doing its apparent self-pruning it does (Or actually, a few of the larger ones do it).

Now the owl started up again.

I was kind of busy doing various things today, too.

Why did it take 5 hours for 2 pictures?

Also, I think I need to listen to something else then Devin Townsend right now. I like Devin Townsend but it doesn't seem to be working for me tonight.....Or I just need to go to bed since what I want to do I keep just staring at.

For some reason because I'm tired I need mellow music....

Typical strange World's End Girlfriend....I seriously need to look into all his albums even though they're not all on spotify. He's someone who writes 100's of songs and seems creative.

Because I want extreme pop metal to relax after all that work, I choose Bleedarazzi.
