Depending on the severity:  
I. 1 year - 25 years in prison  
II. a 1,000-500,000 ceho fine  
III. 7 days of interrupted community service

What is the crime for being revealed as the head of a pyramid scheme

If no injury was done, two weeks to a month in jail for minor criminal mischief. If injury was done, two to four months in jail.

Murder.

Murder.

Death penalty of imprisonment; in either case with payment of diyyah.

Stealing a whistle and, in doing so, indirectly raising the crime rate of a small island in YN to one equalling that of a poor urban area in America (somehow)

Charge(s):

Theft (1)

The lawbreaker would be made to return the stolen item (if it remains in their possession) and pay the victim threefold the worth of the whistle in compensation.

Adultery.

Not a *criminal* offence, but the victim may file a civil suit against his or her adulterous spouse as well as the person said adultery was committed with.

Attempted murder committed by a prisoner against another prisoner.
