I wonder if I could sample that for a hip-hop track... I'll need to test when I get home from work.

slow down by three legged fox

National Anthem: "*Ode to Glory*"

Official Language: Neo-Primian

Capital City: Rodun

Government: Constitutional Republic. The legislative branch is made up of the Grand Assembly. The executive branch is run by the elected Stadtenent, chosen by a vote from among the Grand Assembly. This person appoints Superior Judges, who appoint the next level down, and so on. Provincial Governors are rulers chosen by popular election. County and City Mayors make up voting bodies which can check the Governors power.

National History: The Constantian peninsula is comprised of three main regions, Rodun, Illia, and Trent. Rodun, having a thriving port city, was always the richest, and eventually conquered the others to form, along with its Protectorates, the Greater Commonwealth of Constantium.
