Anybody with the guts and wherewithal to get one up on President Buster "The Bus" Torrence Hamilton-Two Bear, III (if it is done as a prank and the perp isn't killed doing so) will probably get a reward. Bus likes "a good omery" and would most likely would have made a life-long friend. That isn't necessarily a good thing, because Bus is always pranking his friends (what few remain).

Organising a group to steal all of the traffic intersection cameras in capitol the city late one night?
