Dronginia has been on Forum 7 for a long time, and is open about political beliefs. Name definitely rings a bell, but I personally don't see him upload very frequently for whatever reason

Edit: Ninja'd for Calonia. Pretty much the same thing except I see Calonia more frequently

I'm pretty sure I've done you before? (Pardon my memory, I've been away from the forums for a few days.) - That being said, The Finntopian Empire is very, *very* well known within many areas, but especially so for F7. They're a legend there.
