Bowel Rot - All You Need Is Hate

"Qualifications?"

"Rape, murder, arson and rape."

"You said rape twice?"

"I like rape."

insertgoregrindmayhemhere

DISCLAIMER: I do NOT support rape, murder or arson in any way, it's just an intro speech of this song.

Oh Cadonica, you precious little angel!

I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

Bed time now. Not sure why I'm still up

Yeah, people like to jump to conclusions. Apparently because I might listen to music about incest, disturbing content (Lyrics about beating children), and I'm pretty sure Dir en Grey has some lyrics about raping his sister, that must mean I'm evil and support all that stuff! Or, you know, I just like dark music. But no! That means I need to be watched!

I know right. Like this one band, Impaled Nazarene. They have been accused of homophobia, national socialism, satanism, misogyny etc etc. Vocalist just said "Brutal music needs brutal lyrics."

Burzum - *Burzum*

More commonly known as Dunkelheit. The correct name however, as intended by Varg himself, is Burzum.
