Gaelic Storm. They are an Irish band that is really great. I especially like their song "Born to Be a Bachelor."

War Metal Battle Master, Lair of the Minotaur.

Oh god I can't believe I'm enjoying anything with such a ridiculous title.

Oh god I can't believe I'm enjoying anything so blatantly thrash'y.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
