Is this Pink Floyd backlog you haven't gone through yet, or something? Don't get the point of doing a torturous marathon for no reason ☐

Estradasphere-Palace of Mirrors

Hmm...Getting sleepy so not sure how much more I'm going to listen to stuff/plow through stuff today.

My goal is to mostly finish rating things by the time I go to Sacramento on the 1st of August...While apparently also doing more video game related stuff, but yeah.

Finishing plowing through the stuff I need to LISTEN to is another story.

I've gone the entire discography through before. I just let it play silent while watching videos ☐

everyone knows that quote, "I know not what weapons World War Three will be fought, but World War Four will be fought with sticks and stones," but in a way it's optimistic and inspiring because it suggests that even after destroying civilization and returning to the stone age we'll still be sufficiently globalized and bellicose to have another world war right then and there
