It's kinda funny how the Internet speed we had for most of the nearly 9 years we've been here is now so annoyingly slow. Yeah, it was annoyingly slow at times before, too, like downloading games, but geez it feels worse now that it has been faster for like a year.

My guess is since the Internet providers seem to suck at doing things right, when it crapped out this morning (Because it's starting to be annoying and faulty on a regular basis again for some dumb reason), they probably failed at doing something right when starting it up again which slowed down the speed....

If you meant Marathon, I'm afraid to say that it was my least favorite song on the entire album

"Oliver James"--Fleet Foxes

Okay, he ripped the opening melody off of The Beatles "Cry Baby Cry," but I think I can forgive him since almost EVERYTHING leads back to The Beatles in some way.

Munly and the Lupercalians-Scarewulf

Not a style of vocals I get into all that often, but still a very interesting folk-ish album.

What better way to start off a Rush marathon? But, uh, what happened to separating out all the parts? ☐
