Mozart's Piano Concerto #23 In A, K 488, Adagio. Performed by the Franz Liszt Academy Chamber Orchestra. This thread needs culture.

Not really a fan of german composers, but am in love with french composer. Debussy-Childrens Corner

I listen to pretty much any composers I can get my hands on. As well as most other genres of music.

Something, I have no clue what, by The Rasmus. I really need to find the track lists for these mixes, but I think they've been lost by now...

What did it sound like? I'm a very big fan of The Rasmus, I can guess everything from their last three albums (Dead Letters, Hide from the Sun, Black Roses) and, the older songs they played at the open air in Gampel, Switzerland, which I have on DVD. (live version of In the Shadows and F-f-f-falling are  )

BTW: listening Stream of Consciousness by Dreamtheater

I think all my songs are probably from those three albums, and I know the first song in one mix is Black Roses. At some point I think it stops being just a Rasmus mix. When I figure out what song I was listening to, I'll post some lyrics.

The Rasmus. Some lyrics I've identified from the song:  
No sleep, no sleep until I'm done with finding the answer.  
Won't stop, won't stop before I find the cure for this cancer.

I think the title is "In The Shadows".

Can't you roll the dice / I might be surprised / conscience clear / I'm still standing here. Lyrics from whichever Rasmus song I'm listening to.
