Their motto in the fact book is "Battle born" but in their nation page their motto is Freedom isn't Free. What a weird president...

NS states are not used. POLICIES AND FACTBOOKS ARE USED.

Juddaa is a large nation on the planet Vilous. Juddaa is home to the agudners; a species of humanoid goats, though the nation has a significant population of sergals and humans. Juddaa is considered a Jewish theocratic monarchy. Although having a faith-based government, there is no law which requires citizens to practice any certain faith. Satanism however is the only religious practice banned in Juddaa.
