Probably the NPP

Since I haven't made my political factbook section yet, our parties are:

3 major parties:

**Bear Party/BR-** centre-right, expansionist, moderate human-centric (i.e. places more importance for humans over non-humans such as ghouls, supermutants, intelligent deathclaws, etc), very pro-business, nationalist, hardline anti-Brotherhood (i.e. supports total destruction of the Brotherhood of Steel & prosecution of any survivors similar to NCR's treatment of the Enclave)

**Liberty Party/LIB-** centre-left, expansionist, pan-sapient (i.e. in favor of equality for non-human intelligent species), mildly pro-business, nationalist, neutral Brotherhood stance (i.e. supports either a peaceful or hostile solution to the Brotherhood, whichever is easier & comes first)

**Worker's Assembly/WA-** left-wing, pacifist, pan-sapient, pro-laborer, socialist, hardline peace with Brotherhood (i.e. supports continuing ceasefire with BoS and negotiating a formal peace treaty)

Minor parties:

**Ghoul-Mutant Equity Movement/GMEM-** Interest party advocating for civil rights for intelligent ghouls (species of irritated former humans) & supermutants (species of genetically-engineered tall green former humans)

**Vault City Guild/VCG-** Vault City interest party, generally described as technocratic & authoritarian

**New Canaanite Advocates for Morality/NCAM-** Right-wing interest party representing New Canaanites & the Reformed Church of Jesus Christ & Latter-Day Saints

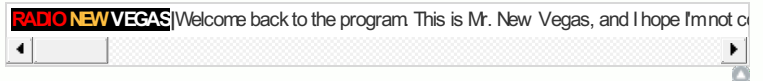

**New America Union Party/NAU-** Reactionary far-right human-centrics

**Viva Las Vegas Party/VLV-** Casino family interest group drawing support primarily from New Vegas & New Reno

**Unionist Party/UN-** Socialist, nationalist, & radically expansionist
