Self-Aware Man becomes aware that his neighborhood celebrates Halloween so constantly practices a hearty Vincent Price megalomaniacal laugh to scare trick-or-treaters who may knock on his door on 31 October (despite worried expressions of onlookers two weeks before).

Self-Aware Man escapes to Mars,
But he wasn't aware of intergalactic police cars.
He gets locked behind multidimensional bars.
He's aware that he shouldn't drop the soap for the health of his arse.

While that may of happened before your ban, remember, every man is different unless specifically stated that it is a previous man when the new man is created, and this is a different man.
