Not really well known.

My beliefs. Dogs and cats are both equal, racism is bad, Joe Mama jokes are funny, and TRR is better than any other region.

Very well known

Factbooks and dispatches (which are works in progress) are the primary source of information for my nation. I try to have my stats match my idea of my nation but I think policies are the stat I can control the most.

I don't dislike anyone here. Agree or disagree, we're all compadres. :-)
