2/10 it looks friendly more then anything, though perhaps a few people might find it a bit disturbing

A civilization with an over 3,000 year history of lizard people killing each other and enslaving everyone else. Now they've finally calmed down and formed a modern westernized constitutional monarchy. (long live Emperor Yoshio!)

Note: Any factbook entries over a year old are severely out of date and may be subject to extreme revision and retconning soon. If you have questions on anything about Ru, please feel free to ask.

The symbol itself is menacing but the soft colors lessen that effect greatly. Overall, 4/10

I use NS stats on everything except Population. I am a Capitalist Paradise and a great home for tax fraudsters on the run, CIA backed Drug Dealers and Commie killing Fillibusters.

Our country has absolutely no anti trust laws and we have no extradition treaty.
