No

Jesus is Lord!

Libertas in Lumine Christi is a infant nation, only 10 years old, that is largely rural and sparsely populated.

This nation is a continuous living work in progress.

No.

Child labor, monarchy, under the skin chips, forbidden biological reproduction, under the skin chips, conscription and mandatory organ harvesting are no things i want in my life. They are signs of a socially backwards, on security relying society (but why no jails?)

I do cherish the technological advancements and the income equality, but I doubt, the society developed socially that much as technological.

Can't rely on factbooks. They don't tell anything useful for this.
