1/10 the white diamonds are so peacefull in that background

10/10. I'm getting 100% evil vibes from their flag.

Resemblance to the confederacy huh?

Flag above me 8/10 the red and black go well together to get a menacing vibe, and the logo emphasizes it, although it's simple.
Edit dangit it's the guy above the flag above me. He beat my typing speed

I felt like going on a power trip, and thought to myself "Hey Ell, what nation/faction would be possibly the most overpowered one you could create?" And somewhere in my head the name "The Combine" screamed. So this is exactly wat I'm doing! Pray that the Union doesn't notice you, because it probably won't.

I'd say 5 out of 666. There's a hint of evil in those antlers, but mostly they seem benign.

The Onigiri Enclave is a highly progressive scientific largely secularist nation welcoming to all (as so long as you aren't a bee or a jaywalker).
