Elton John - Goodbye Yellow Brick Road

From *Goodbye Yellow Brick Road* (1973)

*So goodbye yellow brick road
Where the dogs of society howl
You can't plant me in your penthouse
I'm going back to my plough*

*Back to the howling old owl in the woods
Hunting the horny back toad
Oh I've finally decided my future lies
Beyond the yellow brick road*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

From *Nothing Has Changed* (2014)

You went with him*

Foo Fighters - Learn to Fly

From *There Is Nothing Left to Lose* (1999)

*I think I'm done nursing the patience
It can wait one night
I'd give it all away if you give me one last try*

*We'll live happily ever trapped if you just save my life
Run and tell the angels that everything's alright...*

*I'm looking to the sky to save me
Looking for a sign of life
Looking for something to help me burn out bright
I'm looking for a complication
Looking 'cause I'm tired of trying
Make my way back home when I learn to fly high.

5 Seconds of Summer - Amnesia

From *5 Seconds of Summer* (2014)

*I remember the day you told me you were leaving
I remember the make-up running down your face
And the dreams you left behind you didn't need them
Like every single wish we ever made
I wish that I could wake up with amnesia
And forget about the stupid little things
Like the way it felt to fall asleep next to you
And the memories I never can escape*

*I sat on the roof and kicked off the moss
Well a few of the verses well they've got me quite cross

Radiohead - Harry Patch (In Memory Of)

Single (2009)

*I am the only one that got through
The others died where ever they fell
It was an ambush*

*They came up from all sides
Give your leaders each a gun and then let them fight it out
themselves
I've seen devils coming up from the ground
I've seen hell upon this earth
The next will be chemical but they will never learn*

Elton John - Believe

From *Made in England* (1995)

*I believe in love, it's all we got
Love has no boundaries, costs nothing to touch
War makes money, cancer sleeps
Curled up in my father and that means something to me
Churches and dictators, politics and papers
Everything crumbles sooner or later
But love, I believe in love*

*I believe in love, it's all we got
Love has no boundaries, no borders to cross
Love is simple, hate breeds

Father and son make love and guns
Families together kill someone

From *Infidels* (1983)

*So swiftly the sun sets in the sky
You rise up and say goodbye to no one
Fools rush in where angels fear to tread
Both of their futures, so full of dread, you don't show one
Shedding off one more layer of skin
Keeping one step ahead of the persecutor within*
