Ittonia, an island at the northernmost of the north sea experiencing great history, and culture

From the Prussian colonization era to the discovery of Haeven (Now dying) This nation developed itself and doesn't hesitate continuing! Now, we're trying to do our best in this great world. (Even though it doesn't always work out, LOL)

So now, we honorably sign this post in the name of our nation: The Republic of Ittonia

An Imperial Monarchy spanning most of Central Europe and Dacia set in the early-14th century, greatly fearing that the Mongols may return

Sometimes I read my name as Hungary-Wallonia

This experimental nation will likely be ditched soon

I don't know why, but I really like PT nations
