Venice or at least, somewhere in Italy would be my best guess

My IC Character likes to collect titles, especially from foreign nations, if you would like to grant me one, you may do so here: [viewtopic.php?f=4&t=482842&Start=1](#)

Titles will be granted in return and your involvement is greatly appreciated, Thanks and may God bless you!

Only some NS Stats are canon for my nation, so better to assume they aren't rather than they are, thanks! :)

It's hard to tell but i will take a wild guess and say Texas

1-I have a romantic nationalist power fantasy.
 2-I have bad grammar, no creativity, almost no manners and no sense of role playing.
 3-I have a strong urge to make my fantasies come true. (Just not in the real world)

I wanna say England. Dunno why.

Godulan Puppet #2, RPing as technologically advanced tribal society founded by mongols and vikings (and later with multiple other Asian and Native American cultures) motivated by an intrinsic devotion to the spirit of competition. They'll walk softly, talk softly, and make soothing noises as they stab you in the back and take your stuff... unless you're another Caleshan, whereupon they'll only stab you in the back *figuratively*!

Used NS stats: Population. That's it. Anything else not stated in the factbooks is not used.
