What've you heard?

There are plenty of albums consisting of one song, e.g. "Thick as a Brick" and "Tubular Bells". "Octavarium" by Dream Theater is longer by about a minute, "Atom Heart Mother" is just a tad longer, "Cygnus... Vismund Cygnus" by The Mars Volta is forty minutes. I've got many songs longer than ten minutes, "Lizard" by King Crimson, "Supper's Ready" by Genesis...

I just want you to please note that any knowledge I show throughout NS is based off of a 3rd grade education. All this means is that I probably know absolutely nothing about any subject I post about.

Handel's *Messiah*. (It's the season for it.) The only time I have no problem with Christianity is when I listen to this. If Christians had any sense they'd disband all their missionary efforts and just sponsor performances of *Messiah*. But, of course, if Christians had any sense, they'd be Jews. ☐
