Jethro Tull - Aqualung
A little bit of that man lives on in us all...

Purpelia does not reflect my actual world views. In fact, the vast majority of Purpelian cannon is meant to shock and thus deliberately insane. I just like playing with the idea of a country of madmen utterly convinced that everyone else are the barbarians. So play along or not but don't ever think it's for real.

The above post contains hyperbole, metaphoric language, embellishment and exaggeration. It may also include badly translated figures of speech and misused idioms. Analyze accordingly.

I can't believe I was ever happy before I listened to this song on constant repeat while burning people in a video game.

For me vocals ruined that album completely. Good thing I didn't pay too much. Even better, I sold it to a friend who actually liked it. To this day it remains the only album I sold/gave away.
