Oooh, a new character and a person around these parts! If I am reading this correctly, it would seem to indicate that you have the same amount of power as Nathan, except with different parts you guys rule... am I right in saying that? Ohh, I hope that I am right! Would you like some flowers? I picked them up this morning! Fresh Lavenders, just the way I love them! Anyway, as for yourself? I am quite positive, of course! I know what you might be thinking: Well, this cannot be correct, you and I have more or less the different set of ideologies! I am a peace-loving robot, and you seem to be against peace! Maybe people will say that, but I personally believe that it was just the set of circumstances that lead you to there. You see, from what I understand, you and your people have been constantly warring and fighting against each other, so it is only correct that you fight back as well! That does not make you a bad person! You are just battle-hardened, and I hope to see your situation improve over time! I believe that you and your nation is meant for peace, and one day, there will be no more fighting! I believe that I have said quite a lot, so... I will leave you for now! Please, come by and talk to me again if you want to! I am very, very approachable, ha ha! ♪ Will you be my best friend? I hope to see your world at peace one lovely day! ♪

Sztormowska Pamela Alina Re. T. Lillian: Ahh, hello there, Ms. Ambrosia! you are looking as great as ever, haha! I always wonder where you have been, what you have been up to! I have definitely seen you in the dinner, and it's great that we are seeing each other here right now! It's certainly a pleasure to meet you! For a vampire, you are a really, really benevolent one! Of course, I never doubt of such a thing, but if the movies, shows, and any other vampires are of any indication, it's that you guys tend to be evil and bite a lot! Don't worry about being called a "disgrace" to the vampires! You are certainly not one, and I am always happy to see you on this side of the world! You are a nice person, Ambrosia! Don't let some popular culture or norm get you too much, and be proud as a pacifist vampire! In Valentine Z, everyone is welcome! Join us for a dinner! Bardzo się cieszę, że cię widzę, przyjacielu! / I am very glad to see you, my friend!

As for you, Ms. Engel... I will have to say that I am not sure if we might get along too much! >< I have read and evaluated your political views, along many other things... also, if you remember, I believe that we have actually interacted with each other before, no? Maybe not with me, but with the other Valentians. Anyway, as I was saying... I will have to be rather wary about you! You seem to favor the money and power over everything else, along with the fact that you seem a little too fixated on traditions! Don't get me wrong, I am not saying that religion or the traditions are bad! But sometimes, don't you wonder what we can achieve with all the potentials of science? For what it's worth, I am glad to have seen you, and I really love your home! It looks so cosy, haha! If I have to be blunt, I will say that I am just very glad that Ambrosia is the one ruling the nation for as long as she lives and not you. You are a good person, but your flaws are something that is holding you back. Don't let greed hold you back, my friend! People can change, and so can you! Believe in it, all right? See you around, haha!

Oooh, it is you! I have heard a lot of great things about you! I mean... it is rather unfortunate that you now share the name with that- Ahh, I would rather not talk about it! I'm sure that you know about it, but it would be great if we don't talk about it! Anyway, I am very, very positive on you, of course! I simply cannot believe that such a deity exists in real life, not because of my disbelief. I am rather amazed and intrigued! Then again, if Gwen can become the Fate of the Omniverse, so can you to exist! So... I am really happy for that! I am sorry that I don't have much to talk about you for the time being! I really wish that I can stick around and talk more, but I have not gathered enough about you yet. You are a great Goddess, I am very sure of it! I am sure that you and Ambrosia will go well, and unlike Engels, you seem to care a lot more! That is very good, indeed, haha! ♥

Ahh, the Emperor! It's very, very rare to see someone who is as benevolent as you! Myśleć, że są ludzie, którzy troszczą się o ludzi? Jak rzadko! / To think that there are people out there who cares for people? How rare! Ahh, anyway, I'm sorry about that! I am being sarcastic towards the others, not you! You are good, of course! You have good ideals, and you have cared for the people like I said, and you are handsome! Please pardon me if that makes you blush! I like to compliment like that quite often, and I really mean it that you look fantastic! Maybe one day, we can sit under the stars, and have a wine, or dine

a little? Again, I am not making this into some sort of a date or anything like that! Dwa przyjaciele mogą usiąść pod gwiazdami i rozmyślać o życiu! / Two friends can sit under the stars and muse about life as well! Anyway, I will have to go now! See you around!

Hmm, as a Japanese I can say that Shiro's earned a bit of my 'Okay' side initially, but looking at her bio more, while empty, it seems that she is 5000 years old, evidence of being supernatural or having counsel with the supernatural, I dislike this, in fact, I hate it actually, and a Goddess? Pah, the supernatural has its ways, Izumo is one example of the things I hate about the supernatural, 'Gods' exist, I've got a distaste for them, and looking into her more again.....a Kitsune?! Now, you've earned my Ire, a lot of it, the ability to influence the weather and timelines concerns me, and I wish to see that gone, telekinesis is very concerning, and closing this report, I'd say that she is one of the prime examples that I would use in anti-supernatural propaganda, and that I feel ashamed looking at her name and its roots as Japanese.

- In the underwater city, two roles have emerged from the City's ongoing civil war: the **City Monitors** who defend the peace and the **Red Caps** who fight against unjust systems. The city's infrastructure is crumbling under its own weight and kinship is snuffed by the paranoia of totalitarianism. "I've heard Oni speak well about Phoenix, and while his story is an interesting one I question Oni's judgment. Sure he has the ability to regenerate, as do a small percentage of Lowblood.

I feel it's all he has to him.

I think he has the soul of a hero, sure some Lords have this essence, but they are never a hero.

They have that sense to kill without question, monster or not. I feel as if you are too merciful, but that's admirable as you are not a king of corpses, but rather a warrior of another land.

I respect your fighting spirit, and one day wish to pick up where Oni left off, I'm sure we will have a good duel.

To avoid repeating myself regarding the Demon. The Demon is a commendable warrior when fighting against my Imperial Hordes to ensure the annihilation of his swarms undermining my rightful clay to the Islands of Artemis Prime. He has given my soldier a good teaching in understanding the enemy's battle tactics and adapting quickly to any changes his forces may make to score an advantage over us. It has done wonders making Rapture a force to be reckon with by our endless crusade for control and supremacy over the Isles.

Rapture City

- In the underwater city, two roles have emerged from the City's ongoing civil war: the **City Monitors** who defend the peace and the **Red Caps** who fight against unjust systems. The city's infrastructure is crumbling under its own weight and kinship is snuffed by the paranoia of totalitarianism. Yet the people would be in for a surprise as their virtual overlord have died many years ago as the oppression continues under his name...
- Not an 1-1 exact replica of **Bioshock** lore and **Rapture City**. Only the city's atmosphere and setting is maintained.
