Don't use NS stats except for changes in economics, political freedoms, or civil rights which may eventually make their way into written canon if I get tired of worldbuilding.

IC name is "Blauveldt-Ryzana".

A traumatized, but recovering, MT-Early PMT/FanT constitutional monarchy consisting of a personal and constitutional union of two Realms. A land of rampant gun ownership, governmental schizophrenia, militias with enough heavy weapons to turn an armored division into a badly-shaken battalion of light infantry, and terrified Christmaslander Air National Guard personnel counting down the days until they rotate back home, locked in an eternal standoff with it's northernly, more autocratic(?), neighbor and former master.
