Note: Before 2480, Olwe was called Athan. If you see this word in a thread, it's because you mentioned a year incompatible with Olwe in that thread but still made it open to all techs and therefore are allowing Athan's magic.

Mum-Small Deaths Are The Saddest

Ain't that true. Unless you are in some place where thousands of people are dieing, typically for someone like me, having my grandma die is much more emotional then reading about thousands of people dieing in Syria, Libya, in earthquakes, tsunamis, whatever, and I'm not sure if that is a good thing or not because thousands of people dieing, especially by a shitty government, should be much more depressing but it isn't because I know my grandma personally but don't know any of the thousands of people dieing.

Doesn't mean I don't feel really bad about all the people dieing. It is depressing. Especially watching some videos I've seen. It is just weird how human emotions work sometimes.
