Time - Pink Floyd. A remix by [Pretty Lights](#). To be honest it's a pretty bad remix, the original is much better.

This is a puppet of the nation, Alevuss. I have the same political stance on everything when out of character. In-character, it's a despotate, required to hold elections and certain rights by Alevian constitution since 1999. Also, the colony is called Alevuss Puppet, but is sometimes referred to as Alevian Morocco.
