A beardarchy, a monarchy ruled by the man (or woman) boasting big beard energy. According to Rhomanian culture, how well groomed a person's beard is, the better their character. It is even quite commonplace in Rhonanian society to see women wearing beards as well. Instead of something as mundane and useless as mathematics, Rhomanian youths are taught from an early age on how to care for their facial hair; it's a common core subject in Rhomanian education.

This nation uses NS stats for most issues, however, some are ignored due to irrelevance, not matching the lore or otherwise being strange.

Fascist Monarchial State

Note: Many factbooks are in a constant state of WIP or being considered for entire rework or deletion

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.
