Monkey 9740 stopped logging in, so she ceased to exist.

Ever notice how some elements end with "yum", such as uranium? They were clearly meant to be eaten. Oxygen does not end in "yum". Stop breathing right now.

For any serious rp, my nation is known as Yttria.

Monkey 9739 cursed God for his friend's death.

I felt bad that we killed all these monkeys. So, I invited 9731 over to my house for dinner. I made and served him the food, and when he ate it, he died! I have no idea what happened! I swear!

Monkey 9726 lived to old age, then died peacefully in his sleep surrounded by friend and family.

Then he snapped out of his dream, and cried.

Monkey 9721 was caught pleasing itself to Amanda Seyfried Phap Tributes by Monkey 9720. The latter tries to take the Tributes for itself but 9721 put up a fight. Both sides are brutally injured and bleed to death.
